# SPACE TRAVEL

### THE GOSPEL READING FOR THIS WEEK IS: The Trinity (John 16: 12-15)

*Core extract from the Gospel (John 16: 13-15); for reflection throughout the week)*

Jesus said, 'When the Spirit of truth comes,  
he will guide you into all the truth;  
for he will not speak on his own,  
but will speak whatever he hears,  
and he will declare to you the things that are to come.  
He will glorify me,  
because he will take what is mine and declare it to you.  
All that the Father has is mine.  
For this reason I said  
that he will take what is mine and declare it to you.'

*Gospel prayer (for use throughout the week)*

Holy and Glorious Trinity,  
you are older than time  
and greater than space.  
We praise the Father,  
we praise the Son,  
we praise the Holy Spirit,  
we praise the Holy and Glorious Trinity;  
today and always.  
Amen.

*Things to think about*

- Would you like to travel in space?
- Which planet would you like to visit?
- How do you think astronauts feel when they are so far away from home?

*Things to do*

- Create a planet and perhaps some aliens that live there.
- Find out how to make a rocket using a plastic bottle, water and air.
- Make a rocket on a stick.

You will need: card, scissors, felt pens, sticky tape, coloured crepe or tissue paper and a straw

Draw and cut out a rocket shape from the card.

Decorate the rocket.

Cut strips of tissue/crepe paper and stick on the back to represent flames.

Attach a straw to the back and you are ready to fly off and explore outer space!

Why not share your creations with us? We would love to see what you have been up to! Please email any photos to [education@liverpoolcathedral.org.uk](mailto:education@liverpoolcathedral.org.uk) or tag @LivCathedral on social media.
