

Exploring the Sunday Gospel at home

Third Sunday of Epiphany (year b) **Sunday 24 January 2021**

This week's theme is "making wine" as we reflect on Jesus' first miracle. This took place at a wedding in Cana where He turned water into wine.

Reflection ideas

Think about celebrations you have been invited to. Who was the celebration for? What kind of food and entertainment was provided? Did you wear special clothes? What do you remember most about the occasion?

Practical activities.

- Make a "pairs" style memory game using cards with red or blue backs. Spread them out on the floor, coloured side down and then take it in turns to turn two cards over. If the colours match you can keep them but if they don't then turn them back over and play passes to the next person.
- Whilst we cannot encourage children to drink wine, why not have a go at making some mocktails using different fruit juices and fizzy water or lemonade? You could create a recipe book or even a cocktail bar with decorations and pretend you are visiting an exotic destination!
- Make a paper plate activity where the water will turn into wine!

	<p>You will need: A paper plate, a piece of paper or card, colouring pencils/crayons, scissors and a split pin/paper fastener.</p>
	<p>Draw your jug/bottle design on the paper plate and colour.</p>

			<p>Carefully cut out the top of your jug where the liquid will be.</p>
			<p>Draw a circle on the paper making sure that when under the plate, it will cover the hole you have just cut. Colour half of the circle blue (water) and half purple (wine).</p>
			<p>Place the paper plate on top and secure with the paper fastener.</p>
			<p>Spin the plate and turn water into wine!</p>
